

The Town of Green Level's projected re-open date of June 1, 2020 has been extended until further notice. Due to Covid 19, North Carolina and Alamance County are still under a State of Emergency, as well as the Town of Green Level. Because of the increase in cases and many uncertainties with the Covid 19 virus, we are striving to protect both our staff and citizens. Appointments may be made if absolutely necessary by calling (336) 578-3443 or emailing town-email@greenlevelnc.com . We wish you well during this unique time!
