

## Town of Green Level Animal Control News and Notes

If you have any complaints regarding loose animals, please contact Sgt. W.G. Harrison at (336)570-6302 Ext.4 in Alamance County Sheriff's Office Animal Control Enforcement Division. When you call please leave your name, street address, phone number, and a brief message. This information is needed so that your concerns may be addressed and for you to receive a follow-up phone call.

All Citizens are reminded that the Town of Green Level has an animal control ordinance. The Town requires that each person who owns an animal should keep it from running at large. The Town also requires that animals be in a chain or a leash. **Failure to do so will result in a fine.** Citizens may pick up a copy of the animal control ordinance upon request.

If you have animals that you would like to give up for adoption, you may now turn them in at the City of Burlington Animal Shelter. Contact Ms. Tamee Penley at (336)578-0343 for questions regarding this matter.

Thank you for your cooperation!
