

OFFICIAL Zoning Map Town of Green Level

This map incorporates digital representations of property lines, centerlines and municipal boundaries obtained from Alamance County; flood hazard and hydrologic data from the State of North Carolina. The actual location of these features may differ slightly from what is indicated here. In no event shall the Piedmont Triad Regional Council be liable for any damages, direct or consequential, from the use of the information contained on this map. Town zoning district boundaries are current as of November 29, 2006 and have been revised on February 3, 2022.
