New Finds This Month

During last month's Town council meeting, Michael Trollinger and Stephanie Enoch were sworn in and officially took seats as newly elected Town council members. The two will replace Sandra McCollum and Theodore Howard.

Town manager, Barret Brown, presented Mrs. McCollum and Mr. Howard with an official certificate of public-service appreciation for their advocacy and continued service-based leadership.

Shortly after, the Town council took a vote for appointive officials to include Mayor, Mayor Pro-Tem, and Finance Officer. Remonia Enoch was elected Mayor, Patricia Jones was elected Mayor Pro-Tem, and Jose McBroom was elected Finance Officer. We're all excited to further grow our Town, its resources and serve our residents!

MARTIN LUTHER KING JR. DAY

Dr. Martin Luther King jr. once said "Love is the only force capable of transforming an enemy into a friend." It's innate lessons like so that gives importance to the teachings of Dr. Martin Luther King jr. and it's our responsibility to find ways to apply them to everyday life. Dr. King wrote, spoke, marched, and stood up for what he believed in—and this federal holiday lets people honor his life and work. What's more, it encourages all Americans to volunteer to improve their communities.

This holiday uplifts people to address social problems, bridge barriers, and move closer to Dr. King's vision, his vision that one day we could be

judged by the content of their character rather than the color of their skin. Dr. Martin Luther King jr.'s journey is a testimony to humanity and American culture. We celebrate this day to remember and honor those that exhausted every effort to ensure the law reflected what's morally just.
