Santa's Story Time

– Green Level Parks and Recreation

Come enjoy a warm and special evening with Santa and all of his many helpers in Green Level Friday, December 15th from 6:00-7:30 p.m. at the Green Level Community Center located at 2510-B Green Level Church road. Burlington, NC 27217.

No admission. We just ask that you arrive on time! There will be treats available for children and beverages for parents. Everyone will have an opportunity to take their own picture with Ol' Saint Nic after story-telling.

We want to be a part of the many memories your families make this season, so save the date and tell the kids, "Santa Clause is coming to Town!"

Parks and Recreation Survey

In an effort to better serve our residents, the Green Level Parks and Recreation department will be distributing surveys in the new year! Your feedback is important, and could shape our Town's future!

Your responses would enable us to learn more about our residents—residents of Green Level who have a need not currently being met—and to gauge the potential effectiveness of different programs that may increase program participation and park visitation!
