**For new principal buildings which sit on a permanent foundation, i.e. structures in which people dwell or operate a commercial building, the following will be required to accompany this application (Para edificios principales nuevos que se asientan sobre cimientos permanentes, es decir, estructuras en las que las personas viven o operan un edificio comercial, se requerirá lo siguiente para acompañar esta solicitud):**

- Site plan showing the property lines which includes the location of the principal building, drawn to scale, on the building lot (Plano del sitio que muestra los límites de la propiedad e incluye la ubicación del edificio principal, dibujado a escala, en el lote de construcción)
- Floor plan to scale (Plano de planta a escala)

**For other structures such as storage sheds which may or may not have a permanent foundation, i.e. structure in which people will not be dwelling, the following will be the minimum requirement (Para otras estructuras, como cobertizos de almacenamiento, que pueden tener o no cimientos permanentes, es decir, estructuras en las que no vivirán personas, el siguiente será el requisito mínimo):**

- A sketch of the approximate property lines and shape of the property. Does not have to be to scale. The location of the principal building will be shown on the sketch (Un bosquejo de los límites aproximados de la propiedad y la forma de la propiedad. No tiene que ser a escala. La ubicación del edificio principal se mostrará en el croquis)

**Section 153.058: Application for zoning permit. Each application to the Planning and Zoning Enforcement Officer for a zoning permit shall be accompanied by plans in duplicate showing the following:**

(Sección 153.058: Solicitud de permiso de construcción no residencial. Cada solicitud al Oficial de Planificación y Zonificación para un permiso de construcción no residencial deberá ir acompañada de planos por duplicado que muestren lo siguiente)
