

ORDINANCE 2025-0710  
TOWN OF GREEN LEVEL

AN ORDINANCE TO AMEND CHAPTER 153: ZONING § 153.021, DEFINITIONS- TO DELETE THE CURRENT DEFINITION OF “FAMILY CARE HOME” AND ADD THE FOLLOWING DEFINITIONS:

**FAMILY CARE HOME.** A home with support and supervisory personnel that provides room and board, personal care, and habilitation services in a family environment for not more than six resident persons with disabilities.

**PERSON WITH DISABILITIES.** A person with a temporary or permanent physical, emotional, or mental disability, including, but not limited to, an intellectual or other developmental disability, cerebral palsy, epilepsy, autism, hearing and sight impairments, emotional disturbances, and orthopedic impairments but not including persons with a mental illness who are dangerous to others as defined in:

**DANGEROUS TO OTHERS.** A person is dangerous to others if within the relevant past, the individual has inflicted or attempted to inflict or threatened to inflict serious bodily harm on another or has acted in such a way as to create a substantial risk of serious bodily harm to another or has engaged in extreme destruction of property; and that there is a reasonable probability that this conduct will be repeated. Previous episodes of dangerousness to others, when applicable, may be considered when determining reasonable probability of future dangerous conduct. Clear, cogent, and convincing evidence that an individual has committed a homicide in the relevant past is prima facie (at first sight) evidence of dangerousness to others.

**ADULT CARE HOME.** An assisted living residence in which the housing management provides 24-hour scheduled and unscheduled personal care services to two or more residents, either directly or for scheduled needs, through formal written agreement with licensed home care or hospice agencies. Some licensed adult care homes provide supervision to persons with cognitive impairments whose decisions, if made independently, may jeopardize the safety or well-being of themselves or others and therefore require supervision. Medication in an adult care home may be administered by designated trained staff. Adult care homes that provide care to two or six unrelated residents are commonly called family care homes.

**AMENDMENT TO CHAPTER 153: ZONING TO ADD EACH MENTION OF FAMILY CARE HOME WITHIN THE CHAPTER, THE PHRASE: “No family care home may be located within a one-half mile radius of an existing family care home.”**
