## TOWN SPOTLIGHT

Juneteenth in the Town of Green Level is a heartfelt Independence Day, a day to honor the resilience of our forefathers, their sacrifices, and struggles to be free. We celebrate and honor the progress made from men and women of the past and present, and together we rejoice, marking this day as a counterpoint to July fourth. Juneteenth highlights the stark gap between liberation and its actual

enforcement. Let us never forget to pay homage to those brave enough to face their demise and continue their journey to combat unjust treatment. To simply be perceived as a human was a dream. Today, we live as testimonies to their imagination. We are the very lineage they fought for. This year, tell a friend to tell a friend, the Town of Green Level is the only authentic Juneteenth celebration! See you there!
